

Ravi Nandan Ray

(SOC—SIEM) (Detection—Ingestion) Engineer

📍 Pune ✉ ravinandanray99@gmail.com ☎ 7600486822 📁 My Portfolio in LinkedIn 🐙 Github

Summary

A result driven **SOC—SIEM Detection Engineer** with expertise in **Sentinel, Devo SIEM and Qradar**. Along with expertise in **SOAR Incident response automation**

Experience

Consultant - CSOC Detection and Ingestion Engineer
(Capgemini)

Pune

AUG 2022 – Present

- Implemented and fine-tuned 100+ correlation rules in Microsoft Sentinel, performed threat hunting and created hypothesis for various cyber attack chains improving MTTR.
- Managing Security Infrastructure as Code leveraging Sentinel Rest APIs and ARM templates.
- Optimized Sentinel architecture using ingestion time transformation and DCR filtering, reducing overall Azure billing by 17% while maintaining 100% security posture.
- Incident enrichment, eradication, remediation and response using logic apps playbook, reducing manual intervention and improving MTTR reducing SOC workload.
- Optimized correlation rules, driving almost 40% reduction in weekly offenses through improved correlation, fine-tuning. Leading to improved overall SOC efficiency.
- Leveraged Microsoft AI Foundry to build AI agents, accelerating analysis of overall security posture.

Associate Consultant (Intern) Capgemini - Cloud Infrastructure Security

Remote

FEB 2022 – JULY 2022

- SIEM migration from Qradar to Sentinel/DEVO.

Open Source Contributions/Projects

- **Azure-Sentinel** (Microsoft Azure Sentinel's own Repository) [🔗](#)
- **Hunting-Queries-Detection-Rules** (Threat Detection for Sentinel and other SIEM tools) [🔗](#)
- **DefenderATPQueries** (Detections for Sentinel and Defender XDR alerts) [🔗](#)

Technical Skills

- **Coding Language:** C++, Python.
- **Skills:** SIEM Expert, Defender XDR, SQL, AQL, KQL, LINQ, SOAR automation, LINUX, Wire-shark and tcpdump, GIT & GITHUB, DSA, OOPs, OWASP TOP 10.
- **SIEM Tools:** Microsoft Sentinel, IBM Qradar, Devo LINQ

Certifications

- **Google Cybersecurity Professional Certificate(v.2)** [🔗](#)
- **Fortinet Certified Associate in Cybersecurity** [🔗](#)
- **Computer Networking** (Udemy) [🔗](#)
- **Foundations of Operationalizing MITRE ATT&CK** [🔗](#)
- **GenAI for Cybersecurity** [🔗](#)

Education

Delhi Technological University - DTU(Formerly Delhi College Of Engineering - DCE) *Post-Graduation in Automation Engineering*

SEPT 2020 – MAY 2022 (Delhi)

GATE (IN) - 2020 - All India Rank 773 [🔗](#)

Leetcode Contest Rating - 1661 [🔗](#)

GFG Contest Rating - 1774 [🔗](#)
